NINTH MUNICIPAL BULLETIN

MUNICIPAL STATISTICS FOR 1924

The statistics given in this Bulletin have been rearranged and considerably increased over those given in previous issues. Statistics as to assets, liabilities, receipts and expenditure which were not formerly given are now supplied.

One of the greatest difficulties in the way of early publication is the fact that many municipalities neglect to send in their returns at the proper time. In some cases the returns are nearly a year in arrear. It is hoped that the municipalities will assist in earlier publication of municipal statistics by forwarding their returns more promptly. The value of statistics is greatly decreased when they are not available for a long period. It is difficult to understand why some municipalities cannot apparently ascertain their financial standing until nearly a year after the close of the municipal financial year.

Included in this Bulletin are the statistics formerly published separately for municipal waterworks and gas systems. These will be found at pages 78 to 82.

The Provincial Auditor's report formerly published has been discontinued, and in its place there has been inserted in this Bulletin a summary of the Provincial Audits which were made in 1924. This will be found at page 83.

There are now 926 organized municipalities in the Province, divided into the following classes: Counties 38, cities 26, towns 146, villages 153, townships 563.

There are also 11 districts which have not county organization.

The following appear as new municipalities in 1925:—

The Town of North Bay became a City.

Ripley Village in the County of Bruce.

The following are the totals of the statistics for 1924 given in this Bulletin, as compared with the totals for 1923 where the latter are available:—

FOURTEENTH MUNICIPAL BULLETIN

MUNICIPAL STATISTICS FOR 1929

Included in this Bulletin are the statistics for municipal waterworks and gas systems. These will be found at pages 70 to 74.

At page 75 will be found a summary of the Provincial Audits which were made in 1929.

There are now 937 organized municipalities in the Province, divided into the following classes: Counties, 38; cities, 27; towns, 145; villages, 154; townships, 573. There are 44 counties in all, geographically, but a number of them are united for municipal purposes. The counties so united are as follows: Stormont, Dundas and Glengarry, Northumberland and Durham, Leeds and Grenville, Lennox and Addington, Prescott and Russell.

There are also 11 districts, which have not county organization.

The following appear as new municipalities in 1929: Town of Ford City was erected into the City of East Windsor; Town of Smooth Rock Falls in the District of Cochrane; Township of Rutherford and George Island in the District of Manitoulin; Township of Franklin in the District of Muskoka; Township of McCrosson and Tovell in the District of Rainy River.

The Villages of Bayfield and Wroxeter by special legislation abandoned their incorporation, and have become a part of the Townships in which they are situate.

The following are the totals of the statistics for 1929 given in this Bulletin, as compared with those for the year 1928:—

ASSESSED POPULATION	Townships	Towns and Villages	Cities	Total

1928	1,091,264	593,933	1,336,421	3,021,618

To the total population should be added 200,000, being the estimated population from those parts of Ontario which have no municipal organization.

FIFTEENTH MUNICIPAL BULLETIN

MUNICIPAL STATISTICS FOR 1930

Included in this Bulletin are the statistics for municipal waterworks and gas systems. These will be found at pages 70 to 74.

At page 75 will be found a summary of the Provincial Audits which were made in 1930.

There are now 938 organized municipalities in the Province divided into the following classes: Counties, 38; cities, 28; towns, 145, villages, 154; townships, 573. There are fourty-four counties in all, geographically, but a number of them are united for municipal purposes. The counties so united are as follows: Stormont, Dundas and Glengarry, Northumberland and Durham, Leeds and Grenville, Lennox and Addington, Prescott and Russell.

There are also eleven districts, which have not county organization.

The following appear as new municipalities in 1930: Town of Sudbury created into a city; Town of Harrow in the County of Essex.

The following are the totals of the statistics for 1930 given in this Bulletin, as compared with those for the year 1929:

Included in this Bulletin are the statistics for municipal waterworks and gas systems. These will be found at pages 70 to 74.
